SENIOR ASSOCIATE

Practicing in the areas of estate planning, probate, trust administration, and business law, Carleen attributes her success to a combination of care and concern for her clients and a commitment to being an avid listener. Working with families as they plan for their future, getting to know them and their goals, and helping them face the future fully prepared are hallmarks of her law practice.

Carleen's roots run very deep in the Sunshine State, especially in Seminole and Volusia Counties. She is a fifth-generation Floridian and the first female in a long line of attorneys and judges, with her family even featured in the Sanford District Historical Museum.
