

# RENEE F. DAVIS

## ASSOCIATE

Renee Davis brings a disciplined, mission-focused approach to litigation developed over six years of active-duty service as a Judge Advocate in the United States Navy. She now channels that experience into representing clients in complex civil and commercial litigation, probate litigation, and trust litigation matters.

During her military career, Renee served in a variety of roles, including as a criminal defense attorney in Norfolk, Virginia; as the Staff Judge Advocate for Submarine Readiness Squadron 36 in Kings Bay, Georgia; and as a Victims' Legal Counsel at Naval Air Station Jacksonville. These positions required her to navigate high-stakes cases, develop sound legal strategies under pressure, and advocate for clients in challenging circumstances, skills which are now used to the benefit of her clients.
