April 2025 Teacher of the Month: Ashley Crago

We are honored to recognize Ashley Crago, an outstanding intervention specialist at Bowman Primary, as the Diehl & Hubbell Teacher of the Month for April. The nomination letters written by Ashley's co-workers, Lydia Pacheko and Kari Loughrey made this an easy choice!

Ashley is a tireless advocate for her students who constantly strives to meet their unique needs and help them thrive. Her passion for teaching, her strength, and her deep love for her students and fellow educators are evident in everything she does. She creates a nurturing, individualized learning environment where every student feels seen, valued, and capable.

This year, Ashley faced one of the most difficult experiences a teacher can endure—the loss of a student. Through her grief, she continued to support not only her classroom, but the student's family and school community as well. Her grace and resilience in the face of such heartbreak is a true testament to her strength of character and the depth of her compassion.

We are so grateful for Ashley's dedication, her big heart, and her ability to bring out the best in every child. Congratulations, Ashley—you inspire us all.

If you have an outstanding teacher who you think deserves some special recognition, please visit [Diehlhubbell.com](https://diehlhubbell.com) and click on our Teacher Appreciation tab at the upper right of the home screen, or scan the QR code at the right with your phone's camera and tell us who you are nominating and why he/she deserves some special recognition!
