Dear Tom, Jamie and Dan,

It is getting harder and harder each year to find the words to express our thanks to all of you. Your generosity over the last seven years; it is just overwhelming.

It was so wonderful to see Tom and Jamie at the race last week. You should all feel very proud knowing that you are making a *huge* difference at our little school.

It was a record setting year for the 7th Annual River 5k Run! We had a record number of volunteers, great temperatures and a record number of race participants. The quality and popularity of this event continues to grow every year. This year it was especially gratify because of the charity we attached this year. We are still crunching numbers but it looks like the race/runners raised well over \$1,000 for Brian Ilg. This is in addition to the \$16,000 we already raised!

On behalf of the River PTA and the students of River Elementary, I would like to thank you for your very generous donation to this event. The race would not be possible without the support of our t-shirt sponsors.

Please accept these race day t-shirts as a token of our appreciation. I'm sure you will feel a sense of pride when you wear it, knowing that you have made a difference in the life of a child. Wear it in good health.

Sincerely,

Dina Underwood and the
River Elementary PTA
